WiFi Smart Home Socket

EG-PM1W-001

YOUR SWITCH IS MY COMMAND

- EG-PM1W-001 is an easy to use WiFi Smart Home socket with powerful power management options. It enables you to switch the socket on or off via your home WiFi, Internet, by timer schedule, or by programmable special software events (eg: switch on my scanner whenever I start Photoshop, or have my printer switched on only when I really print). With your free personal user account on EnerGenie.com you can manage your EG-PM1W-001 via Internet from all over the world. The practical and easy to use PowerMan app allows you to control the socket from your smartphone.

- Stay in control of all your electric appliances
- Simply switch devices on or off with your smart phone or tablet

- Built-in WiFi repeater function –Optimal WiFi coverage ensured

Specifications

Interface: Wireless LAN IEEE 802.11 b/g/n protocols up to 300 Mbps

WLAN repeater mode
Input voltage: up to 250 VAC, 50 – 60 Hz
Maximum load current: 16 A
