

## Premium high efficiency LED lamp, 10 W, E27 socket, 2700 K

EG-LED1027-01

- Revolutionary thermal design
- Improved light radiation angle up to 330°
- Ultra light weight design
- Super energy efficient up to 135 lumens per watt
- Guaranteed longer lifetime
- Best quality light!
- EnerGenie LED bulb — the world's best! We used a unique 3D placement of the LED's in our EnerGenie LED bulb as opposed to the traditional flat surface 2D placement of LED's in most other bulbs. This results in a far better light distribution area of 330°, while most other LED bulbs barely provide 140°–160° light angles. The EnerGenie LED bulb produces an awesome 135 lumens per watt. This is around 40 % better than the traditional LED bulbs!
- Guaranteed longer lifetime!
- In addition to 2 year warranty: 3 years of free repair service, if required

### Jellemzők

- 10 W high efficiency LED bulb, 1350 lm
- True replacement for 80 W incandescent light bulb
- Innovative heat-pipe cooling technology for a longer lifetime
- Very low energy consumption, saving at least 88% energy
- High color rendering (CRI 85) for vivid colors
- No warm-up time, instant 100% light
- E27 cap can be easily fitted to replace ordinary light bulbs
- Long service life of 50.000 hours

### Packaging

|                                |                |
|--------------------------------|----------------|
| Darab / karton                 | 40             |
| Csomag térfogata, m3           | 0.028          |
| Karton súlya, kg               | 4.2            |
| Individual package size LxWxH: | 60x60x135 mm   |
| Carton size LxWxH:             | 500x335x165 mm |
| Származási hely                | CN             |
| Vonalkód                       | 8716309082938  |
| Customs code                   | 8543709099     |

### Tanúsítványok

### Részletes leírás

Power consumption: 10 W (up to 115 mA)  
 CRI: > 80 (84 86)  
 Luminous flux: up to 1350 lm  
 CCT (correlated color temperature): 2700 °K (warm white)  
 Lifetime span: ca. 50.000 Hours  
 Input voltage: 85-260 V AC at 50 60 Hz  
 Power factor: 0.876  
 Energy Efficiency Class: A  
 Radiation angle: 330 °  
 Switching cycles: at least 300.000  
 Net weight: 80 g  
 Dimensions: Ø50 x 120 mm  
 Operating temperature: -20 ... 40 °C  
 Dimmable: no  
 Shadow in luminary: almost zero  
 UV and NIV radiation: free  
 LEDs: 28 pcs

### Rendszerkövetelmények

Light fixture with E27 socket
